AUTHOR INDEX

- Addona C.** See Brenner ZR. Oct:65
- Aloi A, Burns SM.** Continuous airway pressure monitoring in the critical care setting. (Feature) Apr:66
- Alspach G.** 25 years in critical care. (Editorial) Dec:12
—Accreditation aches and pains. (Editorial) Jun:13
—*CRITICAL CARE NURSE*: a reader-driven journal. (Editorial) Feb:13
—The costs of critical illness to families. (Editorial) Aug:13
—The metamorphosis of critical care: How are you thriving and surviving? (Editorial) Oct:13
—Winners and losers in healthcare reform. (Editorial) Apr:13
- Anastasio D, Foldy S.** Clinical exemplars: one group's experience. (Feature) Aug:54
- Babin S.** See Bove LA. Jun:96
- Baldock DM.** A day late. (Feature) Feb:54
- Baltz J, Wilson JL.** Age-based limitation for ICU care: Is it ethical? (Management) Dec:65
- Barbiere CC.** A new device for control of bleeding after transfemoral catheterization. (Feature) Feb:51
- Beare PG.** See Resor SS. Dec:35
- Bellamy P.** See Henneman EA. Jun:82
- Biel MH, Stotts JR.** The RN's role in manipulation of pulmonary artery catheters. (Feature) Feb:30
- Billings DM.** Computer-based instruction for critical care nurse educators. (Academic Education) Oct:76
- Bove LA, Mancini MG, Duris L, Terracino G, Paschal D, Babin S, Hammett B.** Nursing care of patients undergoing dynamic cardiomyoplasty. (Feature) Jun:96
- Braddock BS.** See Donovan TJ. Aug:64
- Brenner ZR, Addona C.** Caring for the pneumonectomy patient: challenges and changes. (Feature) Oct:65
- Brenner ZR.** Preserving preceptors: a valuable resource. (Staff Development) Apr:101
- Brown PS, Sefansky S.** Enhancing bereavement care in the pediatric ICU. (Feature) Oct:59
- Burns SM.** See Aloi A. Apr:66
- Chang VM.** Protocol for prevention of complications of endotracheal intubation. (Feature) Oct:19
- Chillcott S, Sheridan PS.** ECCO₂R: an experimental approach to treating ARDS. (Feature) Apr:50
- Claytor D, Margherita L, Penn K, Franck LS.** Measles pneumonia in the critically ill child: applications of alternative ventilation strategies. (Feature) Apr:39
- Collins SC.** See Hale JF. Apr:90
- Cosgrove LE.** Coronary-subclavian steal after CABG surgery. (Feature) Jun:19
- D'Amelio LF.** See Zavotsky KE. Oct:37
- Dickson SL.** Understanding the oxy-hemoglobin dissociation curve. (Feature) Oct:54
- Dirks JL, Lough ME, Moungey SJ.** Cross-training across acuity levels. (Staff Development) Feb:68
- Dirks JL.** Innovations in technology: continuous intra-arterial blood gas monitoring. (Feature) Apr:19
- Dixon M.** See Harvey C. Aug:59
- Donovan TJ, Braddock BS, Hayward MB.** Self-instructional modules: a strategy for teaching the 12-lead ECG. (Staff Development) Aug:64
- Duris L.** See Bove LA. Jun:96
- Foldy S.** See Anastasio D. Aug:54
- Franck LS.** See Claytor D. Apr:39
- Gaul AL.** Care: an ethical foundation for critical care nursing. (Ethics) Jun:131
- Gerardi DS.** The supervisory status of nurses. (Legal) Jun:128
- Glass C.** See Grap MJ. Apr:57
- Gonzales-Aller de Solis M, Hendrix LY.** Acute methemoglobinemia: a nursing perspective. (Feature) Jun:33
- Grap MJ, Glass C, Lindamood MO.** Factors related to unplanned extubation of endotracheal tubes. (Feature) Apr:57
- Guaglianone DM, Tyndall A.** Comfort issues in patients undergoing radiofrequency catheter ablation. (Feature) Feb:47
- Hale JF, Collins SC.** Critical care nursing in army field hospitals. (Management) Apr:90
- Hammett B.** See Bove LA. Jun:96
- Hamner J.** Challenging diagnosis: adult respiratory distress syndrome. (Feature) Oct:46
- Hartnett JM.** Fournier's gangrene: assessment and management. (Feature) Dec:31
- Harvey C, Dixon M, Padberg N.** Support group for families of trauma patients: a unique approach. (Feature) Aug:59
- Hayward MB.** See Donovan TJ. Aug:64
- Hendrix LY.** See Gonzales-Aller de Solis M. Jun:33
- Henneman EA, Bellamy P, Togashi C.** Peripheral nerve stimulators in the critical care setting: a policy for monitoring neuro muscular blockade. (Feature) Jun:82
- Holcomb E.** See Jones C. Aug:47
- Hollerbach AD.** See Sneed NV. Feb:36
- Howse EA.** Synergistic Meleney's gangrene: a case study. (Feature) Dec:59
- Jones C, Holcomb E, Rohrer T.** Femoral artery pseudoaneurysm after invasive procedures. (Feature) Aug:47
- Kajs-Wyllie M.** Thrombotic thrombocytopenic purpura: pathophysiology, treatment, and related nursing care. (Feature) Dec:44

SUBJECT INDEX

Academic Education

Computer-based instruction for critical care nurse educators. Billings DM. (Academic Education) Oct:76

Angiography

A new device for control of bleeding after transfemoral catheterization. Barbieri CC. (Feature) Feb:51

Cardiovascular

A new device for control of bleeding after transfemoral catheterization. Barbieri CC. (Feature) Feb:51

Cardiac arrest during pregnancy: maternal-fetal physiology and advanced cardiac life support for the obstetric patient. Mitchell L. (Feature) Feb:56

Comfort issues in patients undergoing radiofrequency catheter ablation. Guaglianone DM, Tyndall A. (Feature) Feb:47

Coronary-subclavian steal after CABG surgery. Cosgrove LE. (Feature) Jun:19

Femoral artery pseudoaneurysm after invasive procedures. Jones C, Holcomb E, Rohrer T. (Feature) Aug:47

Managing coronary atherectomy patients in a special procedure unit. Perra BM. (Feature) Jun:57

Measurement error in counting heart rate: potential sources and solutions. Sneed NV, Hollerbach AD. (Feature) Feb:36

Nursing care of patients undergoing dynamic cardiomyoplasty. Bove LA, Mancini MG, Duris L, Terracino G, Paschal D, Babin S, Hammett B. (Feature) Jun:96

Right ventricular myocardial infarction: detection, treatment, and nursing implications. Turner DM, Turner LA. (Feature) Feb:22

Rupture of a splenic artery aneurysm in pregnancy. Simpson KR.

AUTHOR AND SUBJECT INDEX 1995

- (Feature) Jun:25
 Self-instructional modules: a strategy for teaching the 12-lead ECG. Donovan TJ, Braddock BS, Hayward MB. (Staff Development) Aug:64
 The RN's role in manipulation of pulmonary artery catheters. Biel MH, Stotts JR. (Feature) Feb:30
 Third generation pacemaker-cardioverter-defibrillator: a case study. Porterfield LM, Porterfield JG. (Feature) Feb:43
 Thrombotic thrombocytopenic purpura: pathophysiology, treatment, and related nursing care. Kajs-Wyllie M. (Feature) Dec:44
 Treatment options for hypoplastic left heart syndrome: a mother's perspective. Swanson LT. (Feature) Jun:70
 Use of ventricular stroke work index and ventricular function curves in assessing myocardial contractility. Ramsey JD, Tisdale L. (Feature) Feb:61

Cardiac Surgery

- Coronary-subclavian steal after CABG surgery. Cosgrove LE. (Feature) Jun:19
 Is chest physiotherapy necessary after cardiac surgery? Thornlow DK. (Feature) Jun:39
 Managing coronary atherectomy patients in a special procedure unit. Perra BM. (Feature) Jun:57

ECGs/Pacemakers

- Third generation pacemaker-cardioverter-defibrillator: a case study. Porterfield LM, Porterfield JG. (Feature) Feb:43

Editorial

- 25 years in critical care. Alspach G. (Editorial) Dec:12
 Accreditation aches and pains. Alspach G. (Editorial) Jun:13
CRITICAL CARE NURSE: a reader-driven journal. Alspach G. (Editorial) Feb:13
 The costs of critical illness to families. Alspach G. (Editorial) Aug:13
 The metamorphosis of critical care: How are you thriving and surviving? Alspach G. (Editorial) Oct:13
 Winners and losers in healthcare reform. Alspach G. (Editorial) Apr:13

Education

- Cross-training across acuity levels. Dirks JL, Lough ME, Moungey SJ. (Staff Development) Feb:68
 Preserving preceptors: a valuable resource. Brenner ZR. (Staff Development) Apr:101

Endocrine

- Acute pancreatitis: an Orem approach to nursing assessment and care. Noone J. (Feature) Aug:27

Ethics

- Age-based limitation for ICU care: Is it ethical? Baltz J, Wilson JL. (Management) Dec:65
 Care: an ethical foundation for critical care nursing. Gaul AL. (Ethics) Jun:131

Families

- Critical care family needs inventory: a cognitive research utilization approach. Lopez-Fagin L. (Feature) Aug:21
 Enhancing bereavement care in the pediatric ICU. Brown PS, Sefansky S. (Feature) Oct:59
 Support group for families of trauma patients: a unique approach. Harvey C, Dixon M, Padberg N. (Feature) Aug:59
 The costs of critical illness to families. Alspach G. (Editorial) Aug:13

Genetics

- Acute intermittent porphyria: a nursing case study. Resor SS, Beare PG. (Feature) Dec:35
 Genetic illness in the adult ICU: implications for nursing practice. Schutte D. (Feature) Jun:49

Hematology

- Acute methemoglobinemia: a nursing perspective. Gonzales-Aller de Solis M, Hendrix LY. (Feature) Jun:33
 Thrombotic thrombocytopenic purpura: pathophysiology, treatment, and related nursing care. Kajs-Wyllie M. (Feature) Dec:44

Hospitals

- 25 years in critical care. Alspach G. (Editorial) Dec:12
 Accreditation aches and pains.

- Alspach G. (Editorial) Jun:13
 Clinical exemplars: one group's experience. Anastasio D, Foldy S. (Feature) Aug:54
 Critical care nursing in army field hospitals. Hale JF, Collins SC. (Management) Apr:90
 The metamorphosis of critical care: How are you thriving and surviving? Alspach G. (Editorial) Oct:13
 Winners and losers in healthcare reform. Alspach G. (Editorial) Apr:13

Legal

- The supervisory status of nurses. Gerardi DS. (Legal) Jun:128

Management

- Age-based limitation for ICU care: Is it ethical? Baltz J, Wilson JL. (Management) Dec:65
 Critical care nursing in army field hospitals. Hale JF, Collins SC. (Management) Apr:90
 Strategies for writing an effective resume. Welton RH, Morton PG. (Management) Jun:118
 The supervisory status of nurses. Gerardi DS. (Legal) Jun:128

Military

- Critical care nursing in army field hospitals. Hale JF, Collins SC. (Management) Apr:90

Monitoring

- The effect of patient position on arterial oxygen saturation. Lasater-Erhard M. (Feature) Oct:31
 The RN's role in manipulation of pulmonary artery catheters. Biel MH, Stotts JR. (Feature) Feb:30
 Use of ventricular stroke work index and ventricular function curves in assessing myocardial contractility. Ramsey JD, Tisdale L. (Feature) Feb:61

Multiple Organ Failure

- Multiple organ failure: the final complication of critical illness. McMahon K. (Feature) Dec:20

Neurology

- Management of cerebral oxygen
